## Volunteer Service Commitment Form 2018-19

Before filling out this form, Please check the "Updated" Summary Page on the Volunteer Service Opportunities Document (V.S.O), which includes the currently "filled" and "open" positions for all available positions this year. To see all of the detailed descriptions for each position, you will need to review the full document. This updated V.S.O. document will be sent to you in a Yahoo email attachment and re-sent to you a few times before registration packets are due in May and June, so that you are aware of what positions are still available. Please complete and return this form with your registration packet.

Credits may be completed by family members including: mom, dad, or enrolled student in eighth grade or above. Positions are filled on a first come, first served basis, so there is a possibility that a position that you want may be filled. Service requirements for the school year are the following: 10 Credits for all returning members, 5+ Credits for all new members and Jr. Partner members transitioning to full member, 2 + Credits for all Junior Partner members.
